Rawlplug Academy & Training Centre

The **RAWLPLUG Academy & Training Centre** is located in Berkshire. It is one of the fundamental components of our unique development programme, **Rawlplug Academy**[®] and is intended for those who are or wish to become construction professionals.

We have created this place to share knowledge and best practices, solve problems experienced by our customers and advise them effectively. It is there to broaden horizons and explore new possibilities, to provide you with efficient hands-on training and necessary theory, as well as opportunities to put them into practice to give you the certainty of being a true expert as you walk out of our Training Centre in Berkshire."

It's an innovative development project, intended for all our customers and students to help learn about our Rawlplug brand and products. It's the only solution in the fasteners and fixings sector dedicated to education, competency building as well as sharing knowledge and experiences.
